We will regularly be on public HS campuses with non-believing teens, and college campuses w/ young adults. You will receive hands-on experience by actually being part of our *Impact!* Campus Ministry. We are currently ministering in 5 High Schools in Northern Ohio, with your help and the vision for many more.

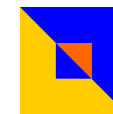

Impact! Campus Ministry is built on relationships first! Then we are very strategic and deeply committed to providing outreach and leadership opportunities.

PHASE I: High energy meeting w/ music, video, technology, and biblical discussion (*taking place weekly*)

PHASE II: Leadership training, w/ developing young lives to be standouts on their local campus Includes various levels of training (*taking place at least bi-monthly*)

PHASE III: Intense "no-strings attached" evangelism events which allow us to break down spiritual barriers. This is a chance to cultivate relationships w/ the average HS student (*taking place monthly*)
